» Application for Undergraduate Admission
» Official high school transcript
» Official ACT or SAT test results
» $45 application fee

Carefully read the following instructions and retain this portion for future reference.

Freshmen

Freshmen are defined as those who have graduated from a secondary school. Candidates who earned college credit before high school graduation are considered freshmen with advanced standing and should have their college transcripts sent to the Office of Admissions.

High school students are encouraged to apply for admission beginning April 15 between their junior and senior years. Prospective students who wish to enroll fall semester are encouraged to apply and have all admissions credentials completed by Feb. 1 to assure consideration. The application deadline for main campus for spring semester is Dec. 1 and for summer term May 15, although earlier closings may occur. All admission credentials must be received 14 days before the spring semester or the summer session to allow sufficient time for processing.

1. Students are encouraged to apply online at www.bgsu.edu.

2. Or complete the Application for Undergraduate Admission.

3. Please have your counselor forward an official high school transcript including sixth semester GPA on a 4.0 scale, your courses in progress and class rank to the BGSU Office of Admissions.

4. Submit official ACT or SAT test results. The ACT writing test is recommended but NOT required. The results of one of these tests are required for all freshmen except those who have been out of high school for three or more years. International students are not required to submit ACT or SAT results. All academic credentials must be sent by the school or testing agency to be accepted as official. All admission credentials submitted to the Office of Admissions become the property of Bowling Green State University and cannot be returned.

5. A final high school transcript is required prior to enrolling at BGSU. A letter will be mailed to your high school requesting confirmation of your graduation as well as your final grade point average and class rank.

6. Entrance into the College of Business Administration is selective. Students who have been admitted to the University will be notified in writing of admission status into the College of Business Administration. For more information, visit the College of Business Administration Web site at www.business.bgsu.edu or call the college office at 419-372-2747.

7. Students who intend to pursue a major or minor in music must contact the College of Musical Arts for enrollment and audition information, 419-372-2181.

8. Students who intend to pursue a BFA in art must visit the School of Art web site for portfolio review information and to schedule a portfolio review, www.bgsu.edu/art.

9. Students who intend to pursue a major in theatre and a specialization in musical theatre must contact the Department of Theatre and Film for enrollment and audition information, 419-372-2222.

10. Students whose native language is not English must take the TOEFL, IELTS or the Michigan Test. This is required of international students issued immigrant visas, international students transferring from another American college or university, those (with English as a foreign language) from U.S. territories such as Puerto Rico, and any other U.S. citizen or non-citizen whose native language is not English. International applicants must apply online.

11. Students who earned Advanced Placement before enrolling at BGSU should have their scores sent to BGSU’s Office of Registration and Records, 110 Administration Bldg., Bowling Green, OH 43403-0130.

12. Students who earn college credit through enrollment in College Credit Plus courses should have an official college transcript sent from the institution attended to the Office of Admissions when courses are completed. A credit evaluation will be completed by the Office of Registration and Records.

Freshman admission standards

For admission to Bowling Green State University a freshman applicant must:

1. Be a graduate of a senior high school approved or accredited by the department of education of the state in which it is located; or

2. Have earned high school equivalency through the General Educational Development (GED) testing program (issued by the state department of education); or

3. Present GED test results and ACT or SAT test results, if the student completed secondary education through an alternative program such as home schooling; or

4. Present an international baccalaureate diploma or certificate.

Admission is selective. In general, we require a high school record that includes four units of English; three units each of mathematics, science and social studies; two units of a foreign language; and one unit of visual or performing arts. Freshman applicants who do not meet the academic standards for admission may be offered admission to the University Program for Academic Success. Admission to the University Program for Academic Success is also selective, but not as competitive as regular admission. Space is limited.

An applicant is considered for admission on the basis of four criteria:

» High school coursework/curriculum
» Cumulative grade point average
» Official ACT or SAT results
» Class rank

The University also considers the diversity of the student body and applicants’ special abilities, talents and achievements in making admission decisions. Diversity may include socioeconomic factors, underrepresented minorities, artistic and/or athletic ability and other special characteristics of the population.
Transfer students
Students who have attempted 12 or more hours, excluding remedial or developmental courses, since high school at a college or university other than Bowling Green are considered transfer applicants. If you have questions regarding transfer admission, please contact the Office of Admissions at 419-372-BGSU. Students who have participated in College Credit Plus Programs are not considered transfer students.

Students intending to pursue a two-year associate degree are not expected to have completed the same high school coursework as those applying to a four-year bachelor’s degree program. The application for admission and all credentials should be submitted directly to BGSU Firelands, One University Dr., Huron, OH 44839-9719.

High school graduates
If you have already graduated from high school, send the required documents directly to the BGSU Office of Admissions. An official high school transcript is also required. If you graduated from high school more than three years ago, you do not need to submit ACT or SAT test scores.

Areas of Study

Below is a listing of areas of study available at BGSU. Please find your intended major, then write the name and the code on the application (item 23). This information will be used for academic advising and class selection. If you are undecided, you may choose a college but remain undecided about a major. Each of BGSU’s seven undergraduate colleges allows students to enter as undecided majors; those codes are also listed below.

If you are undecided about your college and your area of study, select Pre-Major Advising (U100). Pre-Major Advising staff in the Office of Academic Enhancement will assist you in defining your goals and in planning your first semester or first-year academic program. Please note: you may change your major at any time. If you need to make a change prior to registration, contact the Office of Admissions. If you plan to enroll in a pre-BFA art program, music or musical theatre, an art portfolio review or entrance audition is required.

* Programs marked with one asterisk require students to pass a set of coursework, usually within the first two years of study, before they are officially admitted to the major.
** Programs marked with two asterisks are not academic majors. They are pre-professional programs which help to prepare students for professional schools, such as law or medicine. These pre-professional programs require a disciplinary or interdisciplinary major.
*** These programs are selective admissions. After students are admitted to pre-programs based on admissions requirements, they go through an additional review and/or application process before they are officially admitted to the major.
# This is a student-developed combination of courses in a specific area of concentration not available in other degree programs. Applicant’s plan of study must be approved prior to admissions to the major.
1 Entrance audition required.
2 Portfolio review required.
